Software Developer with experiences in Full-stack website and application development, with ability to cooperate with teammates while developing project. Driven by a passion to discover new things. Currently interesting to study further in the field of Data Science, such as the Machine Learning and Artificial Intelligence.

## SKILL

### Programming

- Advanced
  - Python
  - Java
  - Kotlin
  - JavaScript (Client, Server)
  - PHP
- Intermediate
  - Dart (Flutter)
  - SQL
  - C
  - C++
- Beginner
  - Assembly (x86\_64, Z80)
  - Lua

### Others

- Language:
  - Thai (Native)
  - English (Intermediate)
- Public Speaking
- Stage Management
- Lecturing
- Proofreading
- Photography
- Presentation
- Basic Marketing

## EDUCATION

### Bachelor's Degree GPA: 3.67

2020 - 2024

4<sup>th</sup> Year Student of the Bachelor of Engineering Program in Computer Engineering  
Faculty of Engineering, Khon Kaen University.

## EXPERIENCE

### Internship & Cooperative

- Smart Shift Solution Co., Ltd.

April - October 2023

### Web Development

- Srinagarind Hospital

- Pharmacy Department, Srinagarind Hospital
- Division of Procurement, MDKKU
- Division of Medical Supply, MDKKU
- Department of Anesthesiology, MDKKU
- Department of Pediatrics, MDKKU
