📞 (+66) 90-8508007

A computer engineering student with experiences in Full-stack website and application development, with ability to cooperate with teammates while developing project. Driven by a passion to discover new things. Enthusiastic and desire to explore and stay up to date on the latest technology to apply in the project development.

EDUCATION

Master's Degree 2024 - 2025
Computer Engineering
Faculty of Engineering
Khon Kaen University

Bachelor's Degree 2020-2024
Computer Engineering
Faculty of Engineering
Khon Kaen University
GPA: 3.70 (First Class Honour)

SKILL

Programming

- Python
- Java
- Kotlin
- JavaScript (Client, Server)
- PHP
- Dart (Flutter)
- SQL
- C
- C++
- Assembly (x86_64, Z80)
- Lua

Others

- Language:
 - Thai (Native)
 - English (Intermediate)
 - TOEIC 865
 - Listening 440
 - Reading 425
 - CEFR B2 High
- Public Speaking
- Stage Management
- Lecturing
- Proofreading
- Photography
- Presentation
- Basic Marketing

EXPERIENCE

Publication

- Comparison of Machine Learning Models for Non-invasive Fetal Electrocardiogram Monitoring using Abdominal Leads
Palapon Soontornpas, Piron Kaewfoongrungsri and Daranee Hormdee

2024

Work

- Freelance Job (Under the name of "Lorgiz")
- Smart Shift Solution Co., Ltd. (Internship)

Since 2020

Apr.-Oct. 2023, Mar.-Jul. 2024

Web Development

- Srinagarind Hospital
 - Pharmacy Department, Srinagarind Hospital
 - Division of Procurement, MDKU
 - Division of Medical Supply, MDKU
 - Department of Anesthesiology, MDKU
 - Department of Pediatrics, MDKU
- TICHE 2025
- CoE KKU - Computer Programming Grader
- Demonstration School of KKU (Mo Din Daeng)
